

Division 2: Learning Preferences Inventory

Directions for Students:

Think about how you work with others. For each of the statements below, check whether this describes your behaviour most of the time , some of the time  or not often .

		Most of the time	Some of the time	Not often
1	I like to work with a partner.			
2	I like to work in a group.			
3	I like to talk about things with my classmates in order to understand them.			
4	I like to listen to what my classmates have to say.			
5	I like having a chance to teach others.			
6	When I need to remember something, I think out loud.			
7	I like to learn by reading.			
8	I prefer to be alone to think about things.			
9	I like to try things out for myself.			
10	I like to write about my ideas.			
11	I like to work alone.			
12	I like to show what I am learning by drawing.			
13	I like to look at pictures or watch something while I am learning.			
14	When I want to remember something, it helps if I make or imagine a picture.			
15	I remember what I'm learning better if I write it down.			
16	I draw or imagine pictures to help me remember things.			
17	I find charts, diagrams and graphs easy to understand.			
18	I often see pictures when I close my eyes.			

Division 2: Learning Preferences Inventory (continued)

Directions for Students:

Think about how you work with others. For each of the statements below, check whether this describes your behaviour most of the time , some of the time  or not often .

		Most of the time	Some of the time	Not often
19	I like to tell stories and jokes.			
20	I like to contribute to discussions.			
21	I learn when I have the chance to discuss things with my classmates.			
22	I share my best ideas by talking.			
23	I say the words in my head to help remember things I am learning.			
24	I like to share what I know with others.			
25	It helps me listen better if I can hold or play with an object like my pencil or if I draw.			
26	I think better when I can move around.			
27	I like to build and make things to demonstrate my learning.			
28	When I am not sure how to spell a word, I write it out to see if it looks right.			
29	I like to try things out and see how they work.			
30	I like to understand how things work.			

Questions	Total	Most of the time (13 to 18)	Some of the time (8 to 12)	Not often (7 or lower)
