

Globalization Awareness – Get with It!

Activities Overview

Students describe understandings of globalization and analyze the potential positive and negative consequences of globalization by creating a presentation for Globalization Awareness Week.

Focuses for Assessment: How the Outcomes Are Grouped

The [Summative Assessment Task: Globalization Awareness – Get with It!](#)  and [accompanying rubric](#)  address the following focuses for assessment and corresponding specific outcomes from the Knowledge and Employability Social Studies 10-4 Program of Studies. Skills and Processes outcomes are clustered with Values and Attitudes outcomes and Knowledge and Understanding outcomes to provide robust opportunities for student learning. The Focuses for Assessment articulate what students will do to provide evidence of learning. Formative assessment opportunities within the suggested activities provide ways to support students in reaching the learning goals.
