

# Grades 10–12 Level 1 Writing Assessment Exemplar

[← Back to Writing Assessment Exemplars index](#)

*Do you think it is important for people to continue to travel into space? Why or why not? You may want to think about issues, such as*

- costs
- dangers
- rewards

I think it is important for people to travel into space but danger too. Now what happening around the world we need to know is the space is free as meteorists. Government pay money for space. They way too many money in space. Go to space is important Repair satellite and see planet, look at moon. They need to get out of the planet. The ozone cup is messing up. It is dangerous to go to space. People travel to space not careful. People have got reward it's for staying space one week. So it's important for space some people to continue to travel going to space. But money is too many.
