

## Parent Perspective for Students Who Are Gifted

Student Name ..... Date .....

Grade ..... Teacher .....

Parent(s) Name .....

As a parent, you can provide valuable information and insight about how your child learns. Please use the questions below as a starting point for conversation about planning for your child's school year. Thank you.

1. What do you feel are your child's strengths and exceptional gifts?

.....  
.....  
.....  
.....  
.....

2. What do you feel are the important areas of growth for your child this year? (Are there academic, social or emotional areas in which he or she needs to develop?)

.....  
.....  
.....  
.....  
.....

3. Please describe skills that your child uses at home regularly (e.g., reading, making crafts, using computers, etc.).

.....  
.....  
.....  
.....  
.....
